

CTE Pathways

Prepare students to succeed in their chosen career paths

Imagine Edgenuity® CTE courses are mapped to the learning priorities defined for the National Career Pathways* and support career exploration with hands-on activities that enable students to deepen their experience with their career interests. Students can also explore Career and Technical Education (CTE) pathways through courses offered in partnership with eDynamic Learning.

Our courses align with priority topics addressed on national industry-based job certification exams** and encourage students to apply real-world problem-solving and project-based learning experiences while preparing for exams.

To view our full list of CTE offerings, refer to the [Imagine Edgenuity Course Catalog](#)

Courses provide pathway-aligned instruction and NOCTI exam preparation where applicable. Additional requirements (e.g., practicum, work-based learning, CTSO/leadership activities, or business partnerships) are not included and may be required by the state, district, or program. NOCTI exam success is not guaranteed.

*Advance CTE is a national non-profit organization representing state CTE professionals. Advance CTE developed the Career Clusters Framework® which includes commonly referenced Career Clusters and Career Pathways.

**Imagine Edgenuity does not provide certification exams.

Agriculture

Career Pathway	Career	Year 1		Year 2		Year 3		Certification Exam
		Semester 1	Semester 2	Semester 1	Semester 2	Semester 1	Semester 2	
Agricultural Technology and Automation	Agriculture Biotechnology	Introduction to Agriculture, Food, and Natural Resources	Agriscience 1: Introduction	Agriscience 2: Sustaining Human Life	Food Products and Processing Systems	Biotechnology 1a: Introduction	Biotechnology 1b: Unlocking Nature's Secrets	NOCTI® Agricultural Biotechnology
Animal Science	Animal Assistant	Introduction to Agriculture, Food, and Natural Resources	Agriscience 1: Introduction	Veterinary Science: Care of Animals	College and Career Readiness	Biotechnology 1a: Introduction	Biotechnology 1b: Unlocking Nature's Secrets	NOCTI® Animal Systems
Plant Systems	Landscaping Technician	Agriscience 1: Introduction	Agriscience 2a: Exploring Horticulture	Agriscience 2b: Sustaining Human Life				NOCTI Horticulture-Landscaping
	Agricultural Technician	Introduction to Agriculture, Food, and Natural Resources	Agriscience 1: Introduction	Agriscience 2: Sustaining Human Life	Forestry & Natural Resources	Biotechnology 1a: Introduction	Biotechnology 1b: Unlocking Nature's Secrets	NOCTI Horticulture-Landscaping
