

Small Group Targeted Instruction

Experienced interventionists deliver online,
data-driven small group instruction

Small Group Support for All Students

Give students access to the personalized, evidence-based instruction they need

Schools need reliable ways to deliver individualized support for every learner. Imagine Learning's intervention specialists — certified teachers with expertise in targeted intervention — provide high-impact, small-group instruction grounded in research-based best practices. We extend your staffing capacity so students receive focused support in math, ELA, science, social studies, English language development, and test prep.

We partner with you to:

- ✓ Identify and group students by shared learning needs
- ✓ Deliver high-quality, standards-aligned instruction using Imagine Learning's core content
- ✓ Provide research-based, targeted interventions
- ✓ Use formal and formative assessments to measure growth and inform instruction
- ✓ Support multilingual learners with English language development delivered by ESOL-endorsed instructors
- ✓ Provide clear, actionable reporting
- ✓ Accelerate growth by meeting students where they are

Certified teachers help accelerate student growth with targeted interventions

30 minutes

The average length of each small-group session. Session duration flexes based on student needs and school schedules.

2–4 students

Group size can be customized based on student and district needs.

2–4 sessions

Weekly session frequency can be adjusted based on intervention schedules, staffing, and student goals.

10–36 weeks

Service duration aligns to district intervention cycles. Students can enter or exit at the end of a cycle as needs change.

Students have access to 1:1 on-demand tutoring 7 days per week
